

## Allied Bolt

### Premium Beam Clamps

#### Features

- Bronze casting for high-strength and conductivity
- Corrosion resistant stainless steel mounting stud with stainless steel ground screw
- Clamping range of up to 1/2"
- Extra wide jaw opening for more gripping surface and penetration
- Slotted stud allows for connections using #10 to #6 AWG solid or stranded wire and bonding ribbon
- Installs easily with STO 7/16" - 3/8" can wrench

#### Application

Premium Beam Clamps are non-corrosive and provide an electrical connection to multiple surfaces. Our innovative design allows for more bonding surface than the other clamps.
